30 Hours Free Childcare Offer

We have the capacity to offer the 30 free hours of nursery education to our working parents.

You can check your eligibility and receive a confirmation code by following the link below:

<https://www.gov.uk/30-hours-free-childcare>

We will not be able to offer your child a free space in Nursery until we receive and confirm the 30-hour eligibility code.

As the government funding for this offer is for childcare and education but does not cover the supervision of the lunch break there will be a £3.00 supervision charge per day if your child attends full time 5 days a week.

However, you can choose to attend 4 ½ days a week and there will be no extra charge. This means if your child does not attend 1 (or more) afternoon or morning session per week, the place in Nursery is entirely free.

Please complete the next page to indicate whether you would like your child to attend 5 days a week at a total charge of £15.00, or if you choose to attend 4 ½ days or less, please ensure to indicate which sessions your child would like to attend per week.

Please note that children cannot attend part of a morning or afternoon nursery session, please only request complete sessions. We will try our best to accommodate the attendance pattern you choose, but this cannot always be guaranteed, depending on current student numbers.

Please complete and return the slip attached to the school office. If you would like some further advice or support please come to the school office.

Yours Sincerely,

Ray Capper
