

## Communication and Language ideas for home

### You can support my understanding by:

Explaining what you are doing when we are doing something together. For example, when we are making a sandwich together tell me what you are doing so I know what to do.

**Story baskets.** Can you tell a story using props?  
Helping your child to name new objects

### You can support my listening and attention by:

Using sock puppets, toy people or animals when you're sharing one of my favourite stories with me.

**Eye Spy Jars**  
containing sand and interesting objects.  
'What's inside, what can you see?'

### You can support my speaking by:

When we are playing with things, use new words to describe what I am doing or tell me and name new objects.

### Singing Baskets

Which Nursery Rhyme would you like to sing today?
