Our Week

We have had a great week in Nursery. We continued with our topic 'People who help us' for part of the week. We were very fortunate to have two visits, one from our local Police officers and a visit from a Midwife. These were great experiences for the children as they were able to find out information about their roles. The children carried out some lovely creative activities related to this, including making police cars. For the second part of the week, we introduced our new topic celebrations, the children enjoyed engaging in carpet sessions discussing different celebrations they had experienced with family and friends.

It has been a lovely week in Nursery.

Dates for your diary

- **Monday 30th October 2023:** First day of half-term

Forest School

Next half-term we will be starting Forest School. As a part of our upcoming Forest School activities, we kindly ask you and your child go on a scavenger hunt to look for conkers. Please bring these in on the first day of term.

Wellies and coats

As the weather gets wetter and colder, please provide your children with a named, thick, winter coat and suitable footwear. We go to the Nature Garden three times a week and it is important that children are suitably dressed. Please also encourage your child to practise putting on their wellies and coats independently.

Many thanks,
