Nursery Newsletter 28/3/24

Our Week

This week we have been learning more about spring and the celebrations that take place during the spring term. We made Easter hats and cards to wish our adults a Happy Holiday. We received a letter from the Easter Bunny and went on a very 'eggciting' egg hunt around our classrooms. We also melted chocolate to make yummy chocolate nests for us to take home.

Song of the Week

Sleeping Bunnies!

See the little bunnies sleeping,
T'il it's nearly noon,
Shall we wake them,
With a merry tune?
They're so still,
Are they ill?
Wake up soon!

Wake up bunnies!

Hop little bunnies,
Hop, hop, hop!
Hop little Bunnies,
Hop, hop, hop!
Hop little bunnies
Hop, hop, hop!
Hop and stop!

Books this half-Term

Key Vocabulary

This week we have been learning about Easter. This is the vocabulary that we have been teaching and using with the children. Please continue using this vocabulary at home with your child.

Easter
Lambs
Chicks
Daffodils

Listening & Attention - Voice Sounds

This week we have been learning how to orally blend. This is when we blend individual sounds (phonemes) together to make a simple word for example sounding out c-a-t and putting the sounds together to make cat.

Challenge

Play a game of Simon says with your child but sound out the instructions e.g. Simon says t-a-p your head. Simon says p-a-t your knees. See if your children can blend the sounds together and say the word.

Things to remember

Newsletters

After the Easter Holidays, we will only be sending out newsletters once every half term with key information including the topic and how you can support your child with their learning at home. We also update our website with pictures and activities we have been doing and you will also find pictures and information in the whole school newsletter which is sent out weekly.

Dentist Visit

After the holidays, a parent dentist will be visiting nursery to show the children how to look after their teeth. We are asking for children to bring their toothbrushes into school on **Friday 19th April** so the children can practise brushing their teeth.

Spare Clothes

If your child has had to be changed into the spare clothes, can you please return them so we can ensure there are enough clothes for when the children get wet. If you have any old spare

clothes that you would like to kindly donate to Nursery, please give them to the class teacher so we can replenish our stock.

Key Dates for the Diary

15.04.24 - Inset day

16.04.24- Children back at school

19.04.24- A dentist will be visiting Ladybird and Butterfly Class

Many thanks,

The Nursery Team
