Primary School PE and Sport Premium at Keyworth Primary School 2022-23

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

The Primary PE and sport premium should not be used to fund capital spend projects, as the school's budget should fund these.

The PE and sport premium is used to secure improvements using 5 key indicators:

- 1) The engagement of all pupils in regular physical activity
- 2) Raising the profile of PE and sport across the school, as a tool for whole-school improvement
- 3) Increasing confidence, knowledge and skills, of all the staff teaching PE and sport
- 4) Broadening the range of sports and activities on offer
- 5) Increasing participation of all in competitive sport
