

Time out

My

parent or

teacher

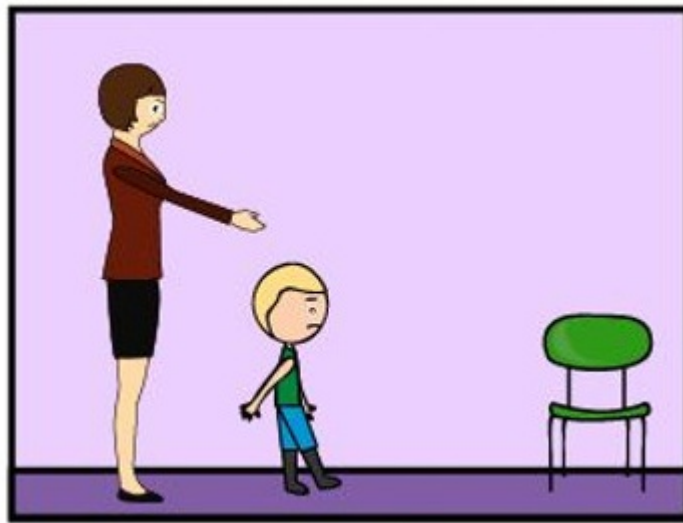

can give

me

time out.

Time out

is

given

when

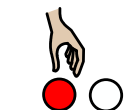

I

don't make

the

right

choices.

laying on floor

pushing

not

listening

running

inside

I will not

kick, shout

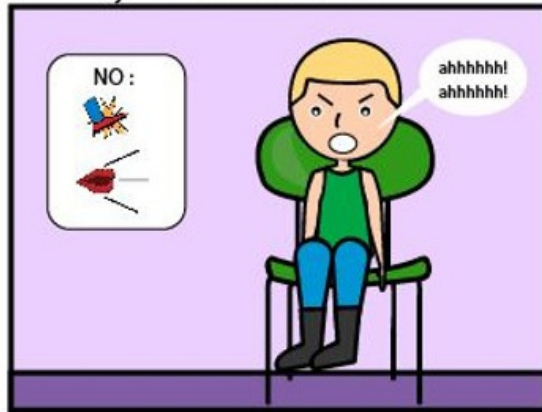

or keep asking

when my

time out

I can sit

or stand

next to

my

time out

chair

until the

sandtimer

is

finished.

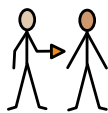

Adults

still

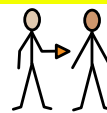

like

you

even when

you

have timeout.
