## News and Reminders

### **Industrial Action**

Earlier this week we informed you of the planned industrial action by the NEU, taking place on Wednesday 5<sup>th</sup> and Friday 7<sup>th</sup> July. It remains likely that the school will have to close to children on the days of the strike as it is impossible for us to maintain health and safety standards and reasonable working conditions with the majority of our teaching staff taking strike action. As with previous strike days, Little Stars and After School Club will remain open and packed lunches will be available to order on Parentmail from next week. As always, we are very grateful for your support and understanding regarding the strike action and will let you know as soon as possible if anything changes with regard to the school closure.

### **Activity Clubs**

Due to bank holidays and strike days, including the two new strike days announced this week, we have had to reschedule at least one session for all of our after-school activity clubs this term. Activity clubs will continue to run on their usual day until 10 sessions have taken place (except Illustration club, a separate email has been sent out with details). The final session for each club is listed below.

	<b>Club</b>	<b>Date of last session</b>

### **Sports Days**

We have had to change the date of EYs and KS1 sports day due to the NEU strike action. The use of the field on Tuesday 11<sup>th</sup> has not yet been confirmed, but this is the provisional plan. We will let you know as soon as possible if this has to change. The order of events remains as listed in last week's newsletter.

Parents and Carers of children in Years 2 and 3 will receive an email explaining the changes to the swimming lesson schedule as a result of this date change.

### **Gold Games Mark and Football**

Please scroll down to find out more about our Gold Games Mark Award (well done to PE coordinators Jess White and Christian Booth!) and to see information about local football club trials and a summer football camp.

## Sharing Children's Learning

Children in Year 4 went to Alleyn's this week for an author talk by Iona Rangeley, author of *Einstein The Penguin*, who shared examples of her early writing from her childhood notebooks. The children were really inspired by this evidence that starting early can lead to a successful writing career!

Today Year 2 went to Burgess Park to take part in a friendly multiskills competition. There were 6 stations which they rotated through taking part in different sporting activities. After working up an appetite, they had a picnic in the park followed by some time to play. Everyone had a lovely day!

### Word of the Week

The Word of the Week for the week after half term is **yearn**. Please help your child to find out the meaning of the word and try using it in different ways in sentences. You could also research the origins of the word and see if you can think of any related words with the same origin.

Try to use the word of the week as much as possible so that it becomes part of your child's vocabulary.

Children will receive gems for using the word in their speech and writing and for explaining its meaning and origin.

### F@B Update

A big thank you 🙏 to the 30+ of you who made the time to attend the AGM last Friday. We had a bigger turnout than we've had in years and there was a great sense of collaboration and enthusiasm which we hope to harness moving forward. We will circulate the AGM minutes and F@B report for 2022/23 via email and WhatsApp next week. We have a great F@B committee for next year and a growing number of volunteers.

🔧 There is less than a month to go before the summer fair on Saturday 15th July, 12-3pm so we are on our usual hunt for volunteers. Without you, we wouldn't be able to run these events, so please do volunteer your time if you can. If you can spare the time, please text Rhiannon on 07799 416256 and let her know if you can help with set up (9-12), stall shift 1 (12-1.30), stall shift 2 (1.30-3) or clean up (3-5).

Roll up, roll up for your raffle tickets! We have tons of amazing prizes that you can have a chance to win for just 50p per ticket! To buy yours, please visit: <https://www.peoplesfundraising.com/raffle/bessemer-summer-raffle-2023>

### Online Safety Tip of the Week

#### **Parental Controls:**

If you have not already done so, it is really important that you set parental controls for devices your child uses. Parental controls are the names for a group of settings that put you in control of what content your child can see. Combined with privacy settings, these can help you protect your children from inappropriate content, online grooming, cyber-bullying and other [online safety issues](#).

This useful website has guides for setting parental controls or privacy settings for different devices, social media and search engines:
