They will be selling their products on Thursday 13th July outside school. Products will cost between 50p and £1, please come along to support the children from 3:30pm. Sharing Children's Learning

Field Work Fortnight

Over the last two weeks, Bessemer has been taking part in the National Fieldwork Fortnight. Fieldwork is an important part of geography, which allows the children to collect data about people and the environment. Each year group undertook a different piece of fieldwork, from mapping land use on the local high street, to completing a traffic survey and annotating maps of the local area. The children greatly enjoyed the opportunity to learn outside of the classroom.

Children in Reception used aerial photos of the school grounds to help find treasure:

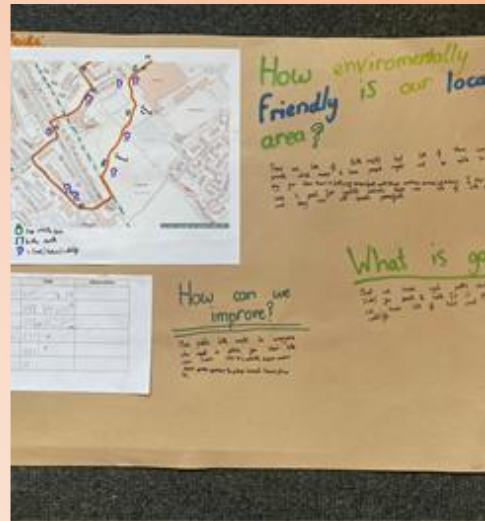

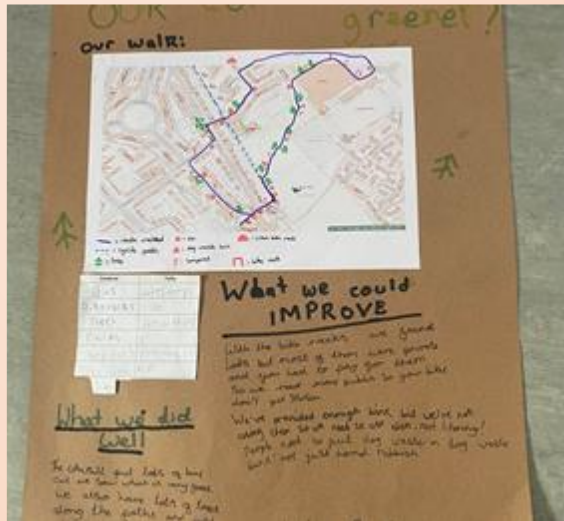

Children in Year 1 made their own maps of the local area:

Sharing Children's Learning

Field Work Fortnight

Children in Year 4 walked around the local area, assessing how environmentally friendly our locality is:

Children in Year 6 walked along Lordship Lane to find out about land use. They used a key to mark on maps what different buildings were used for e.g. supermarket, chemist, cafe etc. They used this to analyse their findings back in class.

Sharing Children's Learning

Music

Children in year 6 have been learning to play the violin in their music lessons this year. This week they showed off their progress in performances to their parents and carers and children from Key Stage Two classes. Well done Year 6, we were very impressed!

Word of the Week

The Word of the Week for the week after half term is **daunting**. Please help your child to find out the meaning of the word and try using it in different ways in sentences. Try adding a different suffixes to make a new word, e.g. **daunted**. You could also research the origins of the word and see if you can think of any related words with the same origin.

Try to use the word of the week as much as possible so that it becomes part of your child's vocabulary. Children will receive gems for using the word in their speech and writing and for explaining its meaning and origin.

Thank you so much!!

Online Safety Tip of the Week

The many types of social media offer us great ways to keep in touch, keep up to date with events and to be entertained! However, social media platforms have age restrictions attached to them for children's safety. If you want to find out more about the risks associated with different social media platforms, and know more about the rules and restrictions for each, then the following website has lots of useful information and advice:

Have a great weekend!
