Latest News

Goodbyes

Unusually for Keyworth, we will be saying goodbye to several members of staff at the end of the academic year. We have had a very stable staff for a number of years but we are confident that the changes in staffing will further build on the excellent work we do in school each and every day.

- Inclusion Manager Kristin is taking on a new position as Deputy Head of Service for SEaTSS (Specialist Education and Training Support Service).
- Teacher Javi and his family are moving to Spain.
- Teacher Josh is taking on a teaching position in another school to further his experience, with Keyworth being the only school that he has taught at in his career so far.
- Teacher Shan has been taking time out of teaching.
- Teacher Chloe is taking on a teaching position in a school closer to home.

I would like to thank all of the staff who are leaving for their talent and effort in providing the best standard of education and care to our children.

Year 6 SATs

Congratulations to our year 6 children (and staff) who this week received fantastic SATs results. We are extremely proud of the effort that the children put into their learning and the way that they have managed so well having missed so much in-school teaching during the last few years.

I must, however, point out that it is not all about doing well at SATs and children 'passing or failing' them. SATs are a means of judging and comparing schools, despite all schools being very different and facing different challenges. Whether our children 'passed or failed' using these SATs measures, we want all children to know that their best is enough and there are many areas other than SATs that they have been successful in.

At Keyworth, we are very proud to be fully inclusive, believing that all children deserve the best standard of education and school experience no matter their differences. We have a

significantly above national average number of children with English as an Additional Language, a significantly above national average of children with Special Educational Needs and a significantly above national average of children who receive free-school meals. This does not phase us and our message continues to be... **“all children are welcome”**.

	Provisional results			
	Reading	Writing	Maths	SPaG
Keyworth	78%	70%	82%	84%
National average	74%	69%	71%	72%

Pupil Premium children are those who are the most disadvantaged in schools. The following data is for all children at Keyworth who are Pupil Premium. Again, these are extremely impressive figures and show the consistently high standards of education that we deliver each and every day, as well as the work that we are doing to ensure that all children are equipped with the tools to have a successful future.

	Reading	Writing	Maths
Keyworth Pupil Premium (R – Year 6)	87%	76%	85%
National average for <u>all</u> children on track (approx.)	70%	65%	70%

Message for current Reception parents - “stay and play”

Dear Parents and Carers,

You and your child are invited to our stay and play session for children entering year one in September. It will be on **Wednesday 13th July** in the year one classrooms.

It will begin with **parents and carers at 3:00pm** for a quick informal meeting in the community room about year one while the children are still in class. This will give you the opportunity to find out more about our year one provision, things to expect in the coming year and for you to discuss any questions or concerns you have about your child’s transition.

After the brief meeting you will then be able to collect your child from reception and bring them over to the year one classrooms. The stay and play session will then begin at **3:45pm** and end at around **4:15pm**.

This is a chance for your child to play in the year one setting. Accompanied by an adult or parent, children will get the opportunity to come into school at the end of the day and play in year one for half an hour. Parents have the opportunity to talk to the teachers and other parents whilst the children get to know the setting.

We look forward to welcoming you and your child into the year one provision very soon.

Your sincerely,
Year One Team

Reports and new classes

Next week, you will receive your child/ren’s school report/s with details of their new class teacher/s. Once you receive the report, you can contact the school office to arrange an appointment with your child/ren’s current class teacher/s should you wish to discuss its contents.

Mixing of classes

To ensure classes are as balanced as possible in terms of needs, we have mixed many year groups for next year. Keyworth has high mobility rates, meaning that lots of children arrive and depart the school, which impacts the make-up of each class. For your reference, since the start of this academic year, Keyworth has had 51 children join the school and 19 children leave (part way through the year).

Keyworth Summer Fair

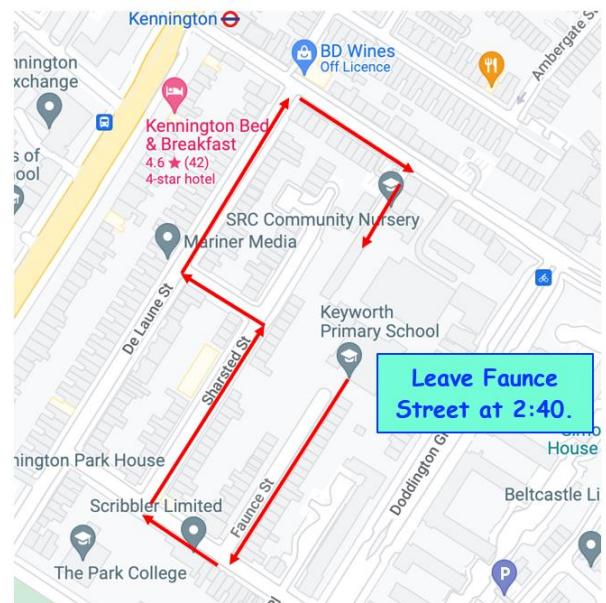

A reminder that our summer fair takes place on **Friday 15th July from 3:30pm**. Our events cannot take place without parents volunteering to help. Please contact Keyworth Friends or the school office if you are able to offer your time.

There are posters with details of the event in our playgrounds. **We need donations of cakes so, if you are able to help, please take your donations to the office by Thursday 14th July.**

Keyworth Carnival

Keyworth Carnival takes place on **Wednesday 20th July from 2:40pm**. Parents/carers are encouraged to line the streets as shown on the map and cheer on their child/ren. The parade will be led by year 6 samba drummers with the rest of the school following. At the end of the parade, parents/carers are welcome to come into the playground to listen to their child/ren sing a song.

Please note that after the carnival the children will return briefly to class before being dismissed in the usual way (you can take your child/ren home as soon as the staff are ready to dismiss them).

Year 6 production

As a reminder, the year 6 production will take place on **Wednesday 13th July at 5:00pm** in the top hall. Please arrive via Faunce Street and by 4:50pm at the latest to avoid disturbing the performance. Photography/recording is allowed but please do not upload to social media platforms due to safeguarding reasons. Additionally, phones should be switched off/on mute and chatting be done away from the hall so that we can all enjoy the show.

Basketball competition

Keyworth represented the Borough of Southwark at the London Youth Basketball competition on Monday. Although we were knocked out in the group stages, the children's positive attitude and their fair play was commendable. Well done!

Keyworth choir

Our choir gave rousing renditions of several popular songs in front of a packed audience on Tuesday. Thank you to all parents/carers in attendance and for joining in with the singing - your voices were angelic!

Historical timeline

We now have an enormous historical timeline in the playground so that the children can see the links between different historical periods and when they took place. Displayed on the timeline are topics we teach in school as well as important 'local' events. Take a look with your children after school!

Autism support course

At the end of this newsletter you will find a poster containing details of a course to support families with a child on the autistic spectrum.

Support for families - summer activities locally

At the end of this newsletter you will find a poster containing some local summer activities.

Word of the Week

This week's *Word of the Week* is **cacophony**. Please discuss its meaning with your child/ren and encourage them to share what they have learned with their teachers in school to receive gems. Do they know the origin? Can they use the word correctly in a sentence? Can they identify and explain the meaning of alternative forms e.g., **cacophonous**? Can they identify any synonyms or antonyms?

Please find below previous words that we have used in school:

Previous words	euphoric, disclosed, premature, alleviate, gullible, bamboozle, elite, corrupt, vigour, penultimate, rebuff, contemplate, euphoria, malleable, temporarily, nausea, vulnerable, isolated, determined, precarious, rebellious, accompanying, speculate, exaggerate, interfere, elite, engrossing, secluded, eloquent, overwhelm, aspiration, trepidation, lethargy, tenacious, relinquish
-----------------------	--

I would like to wish you a lovely weekend!

Head of School

Come join us and

CELEBRATE!!!

Wednesday 20th July

2:40pm to 3:30pm

Keyworth Primary

School

Carnival Parade

Please feel free to join the children of Keyworth
Primary School in celebrating a year of hard
work, creativity and learning.

AUTISM PUBERTY, SEXUAL WELLBEING AND RELATIONSHIPS

For parents of a child on the autistic spectrum, coping with the onset of puberty and their child's emerging sexuality can be challenging. Knowing what to teach, how/when to teach it and what to expect can be daunting.

These three sessions have a different delivery style to the Cygnet core programme. Because of the nature of the subject matter it was felt that a far more activity-based approach would put parents at ease more quickly and therefore enhance learning and mutual support.

- **It is available to parents with children over the age of 9**
- **It is being run as a whole day session or three separate sessions**
- **It is run face to face at 160 Tooley St, London, SE1 2TZ**

Whole day session

Monday 15th August 2022 – 9.30-4.30pm

Or

Three separate sessions (attendance at all sessions required)

Puberty - 2nd August 2022 – 3.30pm-5.30pm

Sexual wellbeing - 9th August 2022 – 3.30pm-5.30pm

Relationships - 16th August 2022 – 3.30pm-5.30pm

Places are limited to 12 per session
