Children's birthday treats

As a reminder, we are unable to distribute birthday treats such as cakes/party bags in school when it is your child's birthday. Should you wish to do so, please do so away from the school.

In June 2018, the Government published *Chapter 2, Childhood Obesity: A plan for action*. All schools are expected to be part of the plan in reducing obesity levels in children, hence the need for healthier lunch options and the banning of birthday treats.

For your information, Southwark has some of the highest overweight and obesity levels in the country, with 58% of adults and 43% of children in year 6 classified as obese or overweight (Southwark Healthy Weight Strategy 2016-2021). Thank you for your understanding on this matter.

Hoardings artwork

You will be aware of the building of new homes near to Keyworth that have been commissioned by Southwark Council. Durkan are the company leading the builds and they have put up hoardings around the building work for safety reasons. As they are a bit of an eye-sore, we have been approached by Durkan to create some artwork for the hoardings by Pasley Park. These designs are around a 'leafy' theme to blend in with the park. Below are a few of our entries that we hope will be printed on to the boards:

Parent workshop - children's sleeping difficulties

Children struggling to sleep was a key issue in our recent children's survey. *The Nest Southwark* offer free and confidential mental wellbeing advice and support for young people. They will be delivering a workshop at Keyworth on **Friday 24th June at 9:10am** with support and guidance around sleeping issues. Refreshments will be provided.
