Keyworth Carnival - reminder

Keyworth Carnival takes place on **Wednesday 20th July from 2:40pm**. Parents/carers are encouraged to line the streets as shown on the map and cheer on their child/ren. The parade will be led by year 6 samba drummers with the rest of the school following. At the end of the parade, parents/carers are welcome to come into the playground to listen to their child/ren sing a song.

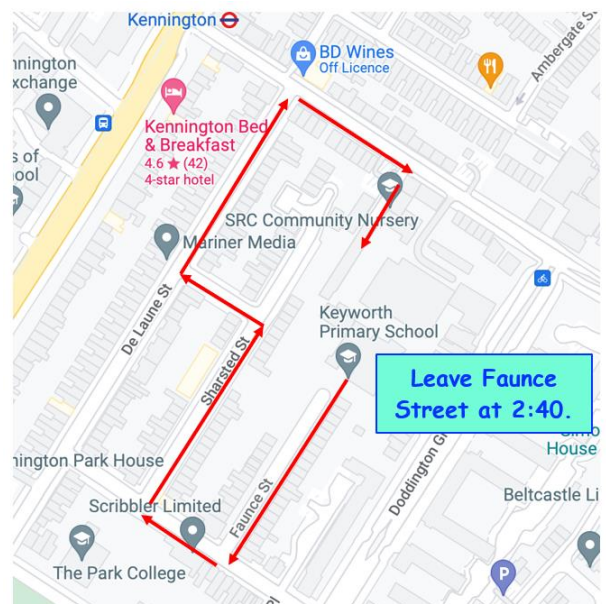

Please note that after the carnival the children will return briefly to class before being dismissed in the usual way (you can take your child/ren home as soon as the staff are ready to dismiss them).

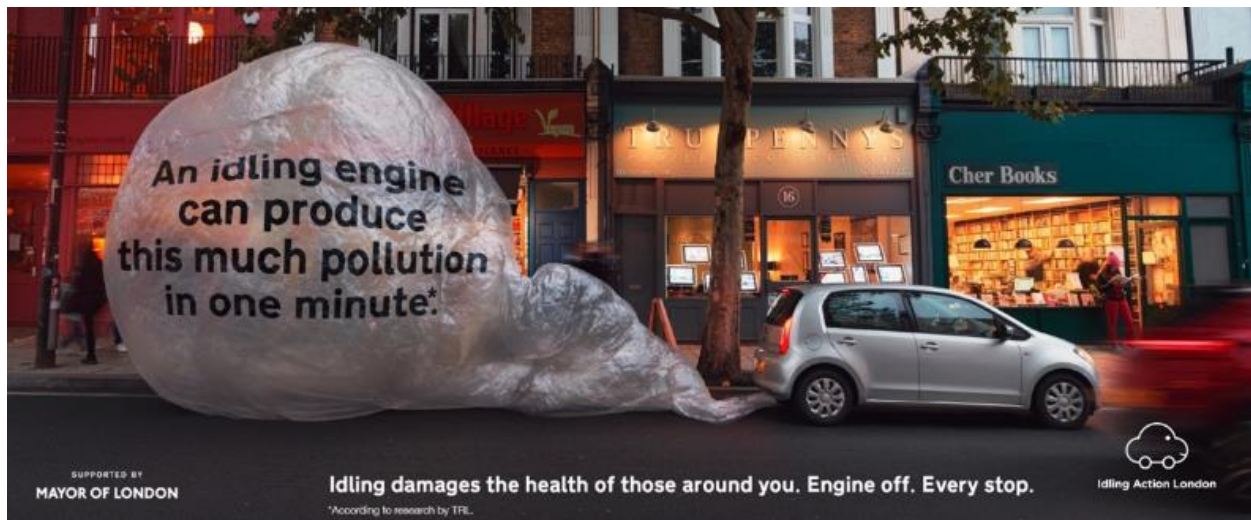

Idling cars

Earlier this week, I was at Doddington Gate and there were several idling cars. Please park away from the school and switch your engines off as the children, parents and staff do not want to be breathing in additional pollution coming from your vehicle. **Roadside idling is against the law in Southwark and many other places in London - you may get a Penalty Charge Notice.**

Further information can be found on the following website:

Durkan hoardings

Our children's work has been displayed on the hoardings of a local building site to "reflect nature" in amongst the concrete! A group of our children visited the park as part of the unveiling and devoured a celebratory picnic. Go to Pasley Park and take a look...

Gem prize - "Bake and Shake"

The Rubies won the gem prize for this term. Children in years 1 to 3 enjoyed a "bake and shake" session where they made and ate pizza and rocky road, which was followed by making a tub of slime and playing party games. A great time was had by all of the children.

Year 6 production

For their end of year production, our year 6s performed “The Greatest Showman” to the school and then to their parents/carers and families. I thought that they did a fantastic job and, who knows, maybe we have witnessed a performance by a future singer/actor...

Year 5 Cricket Competition

A huge congratulations to Year 5 who competed in the Oval Games at Surrey Cricket Ground against three other schools on Thursday and brought back the first-place trophy! A special mention to Muhammad in 5BH, who sacrificed his place in a race to go back and help a child from another school who had fallen over. A fantastic display of sportsmanship!

THE LINK TO FOR
PARENT & CHILD
SUPPORT

Are you a parent who finds it tough to manage strong emotions? Are you worried about your child's behaviour?

Would you be interested in participating in research on a new parenting group?

We are looking for parents of children, **aged 2-11**, who are worried about their child's behaviour to take part in research on a **new parenting group**. Being a Parent- Enjoying Family Life is for parents who may be experiencing **strong emotions** which spillover into their parenting, who may **struggle to trust** in relationships/friendships or may have experienced challenging childhoods or invalidating relationships with their own parents.

We want to test whether BaP-EFL helps parents better than the original EPEC-BaP groups. BaP-EFL and EPEC-BaP are both ran **by parents, for parents**.

If you are interested and eligible for the study, you will receive either BaP-EFL or original EPEC-BaP **parenting groups**. The groups last between **9-10 weeks** for **2 hours** and cover topics such as **managing stress, positive parenting strategies and communication skills**. A creche will be provided if needed.

Parents will also be asked to complete online questionnaires and an at home interview before, after and 6 months after attending the group. You will receive **up to £85** for your participation in these questions

To find out more and register your interest, please follow this link: https://kclbs.eu.qualtrics.com/jfe/form/SV_3luWeTjmKHZaKYC

Or scan the QR code with the camera on your smart phone. A researcher will contact you via email or phone to give you more details on the study. Alternatively, please contact Ellie Baker (PhD student) at ellie.baker@kcl.ac.uk for further information.
