Latest News

School closure - Bank Holiday

Keyworth will be closed on Monday 19th September as it will now be a Bank Holiday due to Queen Elizabeth II's funeral. We will reopen on Tuesday 20th September.

Attendance winner's prize

Having good attendance to school is paramount in ensuring that children can learn to the best of their ability. Attendance continues to be a key target for Keyworth during the coming academic year and we need the support of all families with this.

We are re-instating our class attendance prize at the end of each term. Each week in assembly, we announce the classes that have met our school target of 96%. At the end of the term, the class in the school with the best attendance will be treated to a trip or activity of their choice paid for by the school. This might be a bowling session, a visit to the BMX track or theatre, or lunch in Nando's!

Children's photos

Children's individual and sibling photographs will take place on **Monday 10th October**. Further details will be sent soon.

Year 6 secondary school applications - **change of date**

IntoUniversity

On-site at Keyworth, we have an IntoUniversity Centre. Throughout the year, the centre offers workshops and after-school learning support for children in KS2. There are a limited number of spaces left available for their **Tuesday KS2 after-school tuition sessions (3:30pm - 5:00pm)**, so please contact them directly should you be interested in booking a space for your child/ren.

Clubs

Next week, five sports clubs will begin. We will be adding further clubs of various types in the coming weeks and throughout the year so please check your emails for updates. We have decided to continue to offer our sports clubs for free so that all children can access them. We have also hired a sports coach who will be in school every lunchtime to deliver specialist activities/games in order to develop children's fitness and skills. This will be for children from Nursery through to Year 6.

Class assemblies

Class assemblies will be returning this academic year. Please note the dates for the class assemblies this term. Assemblies will take place in the main hall.

Labelling school uniform

School uniform is expensive, particularly if children regularly lose it. Please ensure that you write your child/ren's name/s on all items of their clothing as they can be returned if found.

Year 2 pirate day

Art project

At the start of every year, we have an art focus. This year our theme was fine art with the children learning different art techniques, about different artists, sketching, designing, evaluating and making their own pieces of art.

Year 1 were inspired by Andy Warhol, focusing on complimentary colours and printing techniques:

Support for families 1 - Speech and Language

Chattertime sessions are play sessions for children under 5 years old that are led by a speech and language therapist. All sessions are free and further details can be found on a poster at the end of this newsletter.

Support for families 2 - courses

At the end of this newsletter, you will find several posters advertising courses for parents/carers.

Word of the Week

This week's *Word of the Week* is **mourn**. Please discuss its meaning with your child/ren and encourage them to share what they have learned with their teachers in school to receive gems. Do they know the origin? Can they use the word correctly in a sentence? Can they identify and explain the meaning of alternative forms e.g., **mourner/mourning**? Can they identify any synonyms or antonyms?

Please find below previous words that we have used in school:
