Warm weather - reminder

- Please provide your child with a labelled water bottle. We have numerous water fountains throughout the school that they can use to ensure their bottle is full throughout the school day. If your child should forget their bottle on any given day, many of the fountains are designed to be used for this situation so they can still access drinking water. Additionally, jugs of water are provided during lunch;
- The staff cannot apply sunscreen to children so please do so yourself prior to your child/ren coming to school in the morning;
- Sun hats are encouraged; please ensure that these are labelled with your child/ren's name.

Parent workshop - children's sleeping difficulties

Children struggling to sleep was a key issue in our recent children's survey. *The Nest Southwark* offer free and confidential mental wellbeing advice and support for young people. They will be delivering a workshop at Keyworth on **Friday 24th June at 9:10am** with support and guidance around sleeping issues. Refreshments will be provided.

Further information about *The Nest Southwark* can be found on the following website:

Social media

We have had further incidents where children have been writing inappropriate messages in WhatsApp groups. Please ensure you regularly check your child/ren's social media and gaming platforms, and report to the school should you see something inappropriate.

Word of the Week

This week's *Word of the Week* is **lethargy**. Please discuss its meaning with your child/ren and encourage them to share what they have learned with their teachers in school to receive gems. Do they know the origin? Can they use the word correctly in a sentence? Can they identify and explain the meaning of alternative forms e.g., **lethargic**? Can they identify any synonyms or antonyms?

Please find below previous words that we have used in school:
