Behaviour and Self-regulation Policy - reminder

At the start of the Spring term I shared our updated *Behaviour and Self-regulation Policy*. Full details of the policy can be found on the school website. Below you will find details of our updated behaviour plan:

The Gem Federation Behaviour Plan

Sanctions

- 1. Verbal warning
- 2. Amber card x2
- 3. Miss 5 minutes of Golden Time
- 4. Miss a further 5 minutes of Golden Time (-10)
- 5. Red card Detention (5 detentions result in a letter home and an Internal Exclusion)
- 6. Sent to Senior Leaders which is followed by a one-day Internal Exclusion.
- 7. External Exclusion

Children should be given verbal warnings between each card change to remind them of the behaviours we are looking for.

Examples of card changes

- o Talking or calling out when you have been asked not to
- o Getting out of your seat when you have been asked not to
- o Distracting others from their learning
- o Graffitiing your work, book or school property
- Not trying your best with your work
- o Not walking silently around the school
- o Not standing still when the bell goes or running to the line
- Teasing another child
- Using inappropriate language

Examples of reasons to go straight to a Red Card (detention)

- Offensive name-calling
- Swearing at someone else
- o Disrespecting adults
- Purposely damaging property
- Not telling the truth
- Playfighting or being dangerous
- Pushing and shoving

Examples of reasons to go straight to an Internal Exclusion

- o Fighting or physically attacking another child
- o Using discriminatory language intentionally to offend
- o Purposely taking other people's or the school's property
- o Destroying property in anger

Examples of reasons to go straight to an External Exclusion

- Hurting an adult on purpose
- Being out of control

The Gem Federation Behaviour Plan

<u>Rewards</u>

- 1. All staff congratulate children verbally for appropriate, kind and considerate behaviour.
- 2. Children in KS1 and KS2 receive a brilliant behaviour sticker for exceptional behaviour during that day (ending the day on gold).
- 3. Each week we nominate one child from each class to receive a commendation for impressive work or behaviour. Each child receives a Star of the Week certificate and 3 gems. Their name is displayed on a communal board and in the weekly newsletter.
- 4. Each week we also nominate one child from each class to receive a commendation for their effort or attainment in mathematics, the presentation of work and writing. Each child receives a certificate and 3 gems. Their name is displayed on a communal board and in the weekly newsletter.
- 5. Each child from Years 1 to 6 belongs to a house (Diamonds, Rubies, Emeralds and Sapphires). Improvement, effort and achievement in work or behaviour is rewarded with a gem. At the end of the term, the winning house is rewarded with a trip.
- Following the Golden Rules throughout the week is rewarded with 30 minutes of Golden Time on Fridays. Children can choose from a menu of activities offered across each year group.
- 7. Each class from Reception to Year 6 can earn Treasure Chests if the whole class is behaving well. The class in each key stage with the most Treasure Chests in a week are awarded 15 minutes extra play. The Reception class with the most treasure chests each week is awarded Lenny Lion in assembly.
- 8. Children are awarded a leaf on The Values Tree when they demonstrate behaviour in line with The Gem Federation's core values.

Possible reasons to get a gem

- You complete an excellent piece of work
- You try very hard
- You are kind to someone
- You are helpful
- You line up and move around the school sensibly
- You show excellent listening skills

We also teach the children the importance of understanding their feelings and provide them with strategies to help manage their emotions using The Zones of Regulation.

Keyworth Friends Easter treats sale

Keyworth Friends will be hosting an Easter treats sale on **Thursday 28th March**. As mentioned previously, the only way the school can reduce costs for families in relation to trips and activities is by parents/carers actively supporting our fundraising efforts and initiatives. After school club provision - message from Sarah

We would like to increase the number of activity clubs we provide after school. We will continue to provide free outdoor sports clubs as we receive funding from the DFE via the sports premium. We also believe that exercise and movement are vital to wellbeing.

We would like to offer a more varied menu of activities but unfortunately, we will need to charge for these because of budgetary restraints.

Please complete the below survey so we can begin to create a picture of what the community would like and how much would be a realistic cost for families to afford:

<u>Regarding Healthcare Professional Recommendations for EHCPs and SENDIF funding -</u> <u>message from Lori</u>

We've observed that some healthcare professionals are advising parents/carers regarding Educational Health and Care Plans (EHCPs) and/or SENDIF (Special Education Needs and/or Disability) Inclusion Fund for 3- & 4-year olds following assessments. It is important to clarify that these recommendations are often general and not specific to individual children.

Healthcare professionals may lack familiarity with the intricacies of the education system, and it's crucial to understand that an EHCP is directly related to the provision of educational settings. Having a diagnosis does not automatically necessitate an EHCP.

EHCPs are typically designated for children with significant social, emotional, and mental health needs, self-care requirements, as well as substantial learning needs.

In our federation, students have access to a variety of adjustments within the classroom and through interventions delivered by the teaching team, or provided by our inclusion team (where appropriate), tailored to each student's unique requirements.

There appears to be some misunderstanding among doctors and other medical professionals regarding Special Educational Needs (SEN) processes within education. We encourage you to explore our inclusion website's FAQ section for comprehensive information on the support and adjustments available to our students:

Inclusion at Keyworth

Neurodiversity Week

This week we celebrated Neurodiversity Week! Through various activities and events children have deepened their understanding, acceptance and inclusivity for all.

Year 4 Imperial War Museum visit Year 4 had a fantastic day at the Imperial War Museum this week. They were excited to be able to see some amazing remnants from World War 2 including spitfires, submarines and tanks. It was a great experience for them to be around artefacts from the topic they have been studying.

Year 4 visit St Mary's Newington Church

As part of year 4's RE unit on the Christian festival of Easter, year 4 visited the local church of St Mary's Newington to learn from their vicar about how Christians celebrate their Holy Week. They enjoyed looking at some of the special objects in the church and even got to try on some outfits!

Comic Relief and Red Nose Day joke competition

As part of Comic Relief and Red Nose Day, the children shared jokes to make others laugh. Classes picked a representative to share their joke during our whole school assembly.

Congratulations to Freya (2ER) and to Azra (5BH) who were chosen as having the funniest jokes!

Thank you to anyone who contributed donations!

Southwark public health update

<u>Measles</u> is a serious illness that can cause brain damage and other life-long complications, and leads to around 20% of those infected having to spend time in hospital.

Measles is spreading in South London due to low MMR uptake. <u>The MMR vaccine is safe and</u> <u>highly effective at preventing measles</u>. Children and young people aged under 25 are being particularly encouraged to make sure they have had two doses of MMR vaccine, as younger people are more likely to catch measles. Anyone who works in a busy environment or has lots of contact with children and young people should also make sure they are up to date. To help people who have not had two doses of their MMR vaccine catch-up, we are organising a series of community clinics in Southwark libraries. Catch-up clinics are being held at the Una Marson Library on:

- Wednesday 27th March, 10:00am to 2:30pm, Una Marson Library, 62 Thurlow Street, London, SE17 2GN;
- Saturday 6th April, 11:00am to 3:30pm, Una Marson Library, 62 Thurlow Street, London, SE17 2GN.

<u>Book a slot at the clinic here</u>. It is open to anyone who has not previously had a dose of MMR vaccine, or has only had one dose previously.
