## Latest News

### Items left in school

As I reminder, all scooters/bikes etc., that are left in school are left at the responsibility of parents/carers. I would strongly encourage you not to leave valuable items unattended in school as we cannot supervise them being collected by the rightful owner.

### Lost property

With the summer weather, children are likely to get hot and take off items of clothing. Please ensure that all of your children's clothing is clearly labelled with their name so that, if found, they can be returned to them.

### Refugee Week

This week is *Refugee Week* with a focus on the them of "healing". Healing means recovering from a painful experience or situation, so that we can continue to live. No-one understands this better than those who have lost their homes and had to build new lives from scratch. We have much to learn from refugees about holding onto hope when going on seems impossible - as well as about how art, creativity and community can help us to heal. Those going through the asylum system also know that healing is an ongoing process, made harder by poverty, housing difficulties and the threat of being detained or deported. Asking for change, so that refugees can truly feel safe, is an act of care. Whether it's about looking after ourselves and each other at difficult times, overcoming political divisions or coming together to fight for the survival of our shared planet, healing matters to all of us.

Keyworth Primary School is a diverse and inclusive school that welcomes everyone. We are proud of the children and community of our school and celebrate difference.

To prompt a discussion with your child/ren this *Refugee Week*, you may like to watch one of the animations on the link below:

<https://refugeeweek.org.uk/get-involved/education-resources/educational-videos/>

## Sports Week

Throughout the week, the children have been partaking in a range of activities as part of our *Sports Week*. Activities have included multisport sessions, intra-class competitions, an obstacle course, yoga and playground challenges.

### Year 2 Kennington Park trip

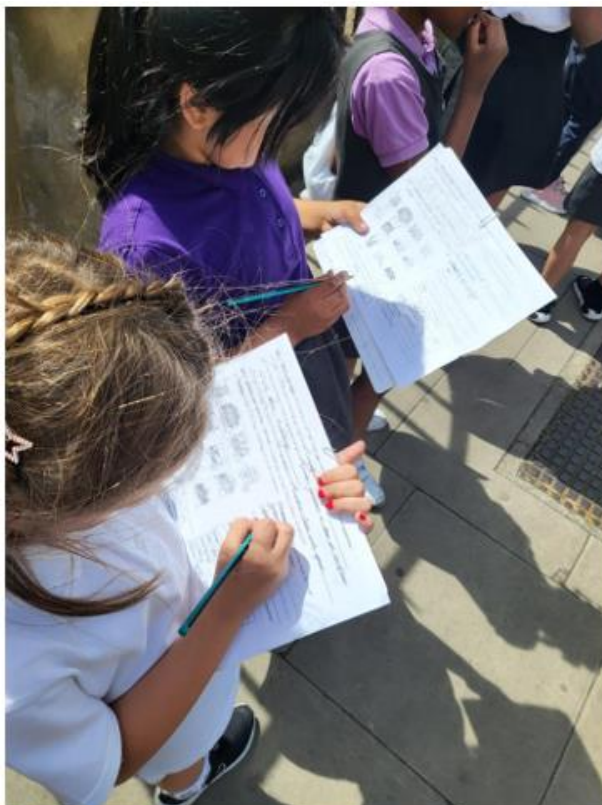

Year 2's science topic this term is 'Plants'. On Monday, they went to Kennington Park to undertake a tree hunt. They looked at pictures of different leaves and used these to identify the various trees they saw. In their groups, they discussed what they noticed about each tree and answered the following questions:

- \*What shape/size/colour are the leaves?*
- \*How does the bark look/feel?*
- \*Does it have any flowers/fruit/nuts?*

### Year 3 local visit

As part of their geography topic around “our local area and conservation”, the children in year 3 conducted a local area walk to investigate features of the area as well as using simple maps to navigate.

## Year 4 Science Museum

Year 4 had a fantastic time at the Science Museum. Highlights included seeing the very first computer, the space section and all the interactive activities! The children were very well-behaved and enjoyed the day out.

### Girls football competition - commentary by teacher Jo

*“The year 5 and 6 girls had a brilliant time at the football tournament organised by the City of London Academy. Keyworth won all our group games without conceding a goal. The defensive work of Nahla, Benite, Samiya, Gracie, Chloe and Leah were a big part of this. Raia was a rock in goal. Cecilia, Fatima and Emilia were up and down the pitch all game, every game. And last but not least the goals from Janet, Diaz and Leyla were so important. Unfortunately, we went on to lose the semi-final. The girls were all gracious in defeat - every single one of them was an absolute credit to the school.”*

### Southwark’s Summer of Food and Fun

Below you will find details of local settings that will be offering activity programmes for children and young people during the summer holiday:

#### [Summer of Food and Fun](#)

### Word of the Week

This week’s *Word of the Week* is **tenacious**. Please discuss its meaning with your child/ren and encourage them to share what they have learned with their teachers in school to receive gems. Do they know the origin? Can they use the word correctly in a sentence? Can they identify and explain the meaning of alternative forms e.g., **tenaciously**? Can they identify any synonyms or antonyms?

Please find below previous words that we have used in school:

<b>Previous words</b>	euphoric, disclosed, premature, alleviate, gullible, bamboozle, elite, corrupt, vigour, penultimate, rebuff, contemplate, euphoria, malleable, temporarily, nausea, vulnerable, isolated, determined, precarious, rebellious, accompanying, speculate, exaggerate, interfere, elite, engrossing, secluded, eloquent, overwhelm, aspiration, trepidation, lethargy
-----------------------	---

I would like to wish you a lovely weekend!

Ray Capper  
Head of School
