Industrial action - reminder

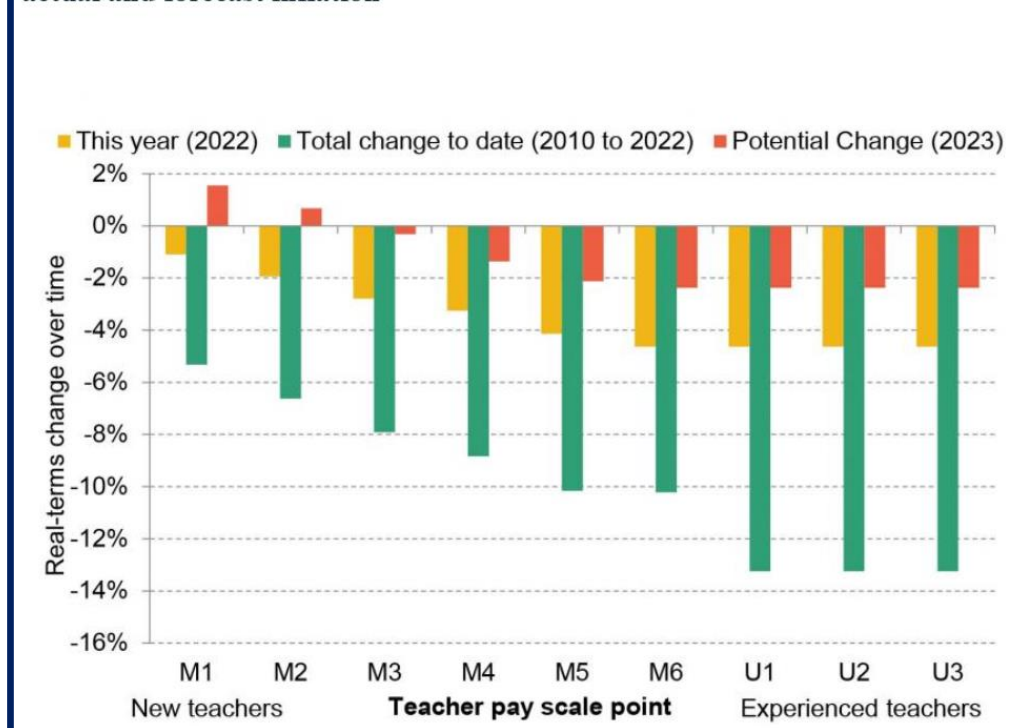

The NEU has announced further industrial action, with strikes taking place on **Wednesday 5th and Friday 7th July**. As the majority of our teachers are in the NEU and will be taking strike action, we will need to close the school to the majority of children on these days. This is because, after consultation with the governors based on risk assessment, it is not possible to stay open on strike days with the high number of absent staff while maintaining health and safety standards for pupils and staff, and reasonable working conditions for those staff not involved in the industrial action.

- Our Little Stars provision will remain open from 8:45am to 11:45am. Please use Gaza Street gate.
- Year 6 will remain open from 9:00am to 3:30pm. Please use Gaza Street gate. A cooked school lunch will be provided.
- For children not in school, a packed lunch will be available for collection between 12:00pm and 1:00pm on each day. **Please call the school office by Monday 3rd July to request a packed lunch for each strike day.**
- Afterschool club will be available between 3:30pm and 5:55pm. Children should be dropped-off promptly at 3:30pm via Sharsted Street entrance. **Please book your child/ren's place/s using Magicbooking by Monday 3rd July.** If your child is in year 6, they will be taken to afterschool club by school staff.

Anyone who had previously booked our afterschool and/or breakfast clubs for these days will be refunded as credit in their Magicbooking account.

Should there be any further updates, you will be informed as soon as we know. Thank you for your continued understanding.

New Reception parent/carer workshop

We will be hosting a workshop for new Reception parents/carers 2023-24 on **Monday 3rd July at 9:10am in the main hall.**

New Reception parent/carer 'stay and play'

We will be hosting a 'stay and play' for new Reception parents/carers 2023-24 on **Tuesday 4th July at 3:40pm in the Reception classrooms and playground.**

New Year 1 parent/carer 'stay and play'- **CHANGE OF DATE**

We have had to change the date for our new Year 1 parents/carers 2023-24 'stay and play'. The new date will be **Thursday 6th July**. It will start with a **parent/carer workshop from 3:10pm**, followed by a 'stay and play' session after school. Please go via the school office if attending the workshop.

Safeguarding children - online safety

I have said on numerous occasions that one of the biggest safeguarding challenges we have as a school comes from what the children are accessing online outside of school. The children often know more about technology than adults so it is important that we educate ourselves in order to keep children safe. Below are some tips for supporting your child/ren when they are online:

Tip 1: Check the basics	Tip 2: Review apps on their devices	Tip 3: Turn on safe search	Tip 4: Check they are connected safely	Tip 5: Agree digital boundaries
<ul style="list-style-type: none">○ Use app store settings to only show age appropriate apps Google Play Apple iStore○ Check app and in-app purchasing requires a password○ Turn-off 'locations services' so your child doesn't unintentionally share their location with others	<ul style="list-style-type: none">○ Check age ratings of any apps you're not familiar with – Visit NetAware for advice○ Do they have the right privacy settings across all social, messaging & Gaming apps they use?	<ul style="list-style-type: none">○ Switch on Google SafeSearch to block explicit results○ Turn on YouTube 'Restricted Mode' to help screen out inappropriate content	<ul style="list-style-type: none">○ Use parental controls on your broadband to block inappropriate content○ Check a content lock is set up on their mobile network to stop them seeing things they shouldn't	<ul style="list-style-type: none">○ Talk about how to be responsible and stay safe online when sharing images or live streaming○ Stay engaged by having regular conversations about what they do online

Please ensure you check regularly what your child/ren is/are accessing online.

Eid

On behalf of the staff and families of Keyworth, I would like to wish everyone who has been celebrating a very happy Eid. Being **progressive** and **respectful** are important values of Keyworth Primary School and we are very proud of our inclusivity and diversity. Further information about Eid can be found by using the link below:

Keyworth Friends Summer Fayre - reminder

Many hands make light work...

We need your help to run the summer fayre. Without volunteers, there are not enough of us to man stalls, supervise games/activities, serve food/drink. The more volunteers we have, the more each of us will get the chance to enjoy the fair with our own families.

Please add your name and indicate what you prefer to help with to the lists located around the school and/or email Keyworth Friends using the email on the poster.

KS1 and KS2 sports day

After four years, it was great to return to Kennington Park for our KS1 and KS2 sports day. Despite the heat and the high pollen levels, the children all performed to their best and showed excellent sportspersonship! Thank you to all parents/carers who were able to attend and offer their support to the children.

Reception visited the Horniman Museum

Reception went to the Horniman Museum and Wildlife Gardens to consolidate their knowledge and understanding of the topics they have learnt throughout the year, including dinosaurs, under the sea, nature and growing. The children took part in a series of activities including visiting the Butterfly House, a Brick Dinos Exhibition and a tour around the Aquarium. The children had a great time at the Horniman Museum... so much so that they all fell asleep on the journey home!

Year 4 visit a Hindu Mandir

Year 4 thoroughly enjoyed visiting the Hindu Mandir in Neasden. It was lovely to see the children being so respectful and inquisitive whilst learning about another religion. A great day was had by all!

Being **progressive** is a key school value and it is important for all children to gain an understanding of the differences and similarities between them.

Year 6 transition - Into University

Year 6 attended a transition workshop with Into University around transitioning into secondary school. They reviewed daily lesson timetables, shared their thoughts and feelings about moving on and discussed what appropriate actions would be to different scenarios.

Support for families 1 - transitioning to secondary school

At the end of this newsletter is a poster containing information about supporting the process of transitioning to secondary school.

Support for families 2 - summer holiday events

Support for families 4 - Parent Consultation Service

With the end of the academic year approaching, we appreciate that change can be difficult for children and families. Should you need further support with any specific issues, the Parent Consultation Service may be able to help!

Why consultation?

Consultation may be helpful when people want to think about changing difficult situations.

The Parent Consultation Service offers parents and carers an opportunity to request consultation about the concerns they have about their children at home, for example:

- A parent is concerned about their child's emotional well-being.
- A child behaves well in school or nursery, but is difficult to manage at home.
- A child is having difficulty managing their feelings.
- A child is unhappy at a time of change or loss.
- A young person is getting into trouble outside of school.

What is involved in consultation?

In consultation, we talk together about a range of ideas and different possibilities for action to ease concerns.

Consultation is a non-judgemental approach.

Each appointment lasts about an hour, and follow-up meetings can be agreed.

Will my information be shared?

This is a confidential service for parents and carers, and information will not be shared more broadly except in line with safeguarding guidelines which all professional are obliged to follow.

Who is providing this service?

Consultation for parents and carers will be provided by members of Southwark's Educational Psychology Service.

Is this the right service?

If you are wondering whether this is the right service for you, please email the address below to ask for a discussion.

Where does the consultation take place?

Appointments will be offered at a convenient location for parents or carers.

How do I make an appointment?

Please email and leave your name and number:

SEN-EducationalPsychologist&EHO@southwark.gov.uk

Support for families 5 - Parent Zone Local

Parent Zone Local is a new free service in Southwark offering parents and families advice and information around tech and digital. The core focus of the service is to help families develop great media literacy skills - to find good content, avoid scams and misinformation, and make digital work better for them. Further information and support can be found using the link below:

Word of the Week

This week's *Word of the Week* is **tolerance**. Please discuss its meaning with your child/ren and encourage them to share what they have learned with their teachers in school to receive gems. Do they know the origin? Can they use the word correctly in a sentence? Can they identify and explain the meaning of alternative forms e.g., **tolerating/toleration**? Can they identify any synonyms or antonyms?

Please find below previous words that we have used in school:

Previous words	certain, mourn, congregate, collaborate, community, progressive, convention, respectful, resilient, prevent, rigor, responsible, prejudice, festive, transform, despondent, devoted, prosper, discontent, complement, eulogy, culture, equity, empathy, poetic, inherited, heritage, prudent, dubious, monarch, require, sustain, ecology, audacious, misled, immense
