

# Nursery Newsletter 01.07.22

## Song of the week

This week we have been singing 'The good foods song'

<https://www.youtube.com/watch?v=5dR22hbln6w>

Can you sing the song at home?

## Our Week

We have had a wonderful week in Nursery. We have been learning all about keeping healthy and looking after different parts of our bodies. We practiced thorough hand washing and had lots of fun brushing our teeth! We also tried a variety of healthy foods such as chicken, yogurt, kiwi and peas and spoke about if we liked them or not. On Friday, we took part in an obstacle course and felt what happened to our heart beat before and after exercise.

part in an obstacle course and felt what happened to our heart beat

before and after exercise.

## Phase 1 Phonics

This week in Phonics, we have continued seeing if we can hear and count the sounds in three letter words. We played a variety of games and had lots of fun.

We focused on the words sun, pin, dog, hat and mat.  
Can you hear the sounds in any other words?

## Sound of the Week

We have now covered all of the sounds for Phase 2 phonics so for the rest of the year, we will be recapping the sounds learned so far as well as focusing on orally segmenting and blending the sounds together to make words.

[https://www.youtube.com/watch?v=B\\_pdXUaWOps](https://www.youtube.com/watch?v=B_pdXUaWOps)

Please continue to sing the Jolly Phonics songs at home for the sounds covered in Phase 2 as well as seeing if you're child can hear the initial sound in a variety of words.

## Maths

This week in Maths, we have been learning about repeated patterns. We have made patterns in variety of ways, using toys, cubes and counters as well as drawing our own patterns.

Can you create your own pattern at home?

# Things to remember...

## **Family Photos**

Next week, we will be revisiting our topic of 'The Colours of Us' in preparation for our Carnival Celebrations! As a part of this topic, we are going to be speaking about our different families and cultures. Please either bring in a photo of your family or email one to your class teacher so that your child can join in with this discussion.

## **Sports Day - Wednesday 13<sup>th</sup> July 2022**

Nursery's Sports day will be starting promptly at 9am in the Early Years Playground. This will be a non-traditional sports day, however the children will have the opportunity to join in with adult-led activities. All parents/carers are invited to join in and support their children. We shall be repeating the session from 12.45pm - 1.15pm for those children who only join us for the afternoon.

## **People Who Help Us**

This term, Nursery will be learning about people who help us. If any Parent/Carer is a Dentist, Vet, Nurse, Police Officer or Firefighter, please make the class teacher aware as we would love for you to come in and speak to the children about your profession and what it entails. It will also give the children the opportunity to ask questions about things they would like to know.

## **Sun hats and sun cream**

Now that the weather is finally sunny, we recommend bringing your child to school in a named sun hat. We also recommend applying sun cream to your child before they arrive at school.

## **Water Bottles**

Please ensure your child has a named water bottle with them each day, especially now that the weather is warming up. This should only contain water, no fruit juices or squash please!

## **Spare Clothes**

Please make sure that your child always has a spare change of clothes at school for toileting accidents and water play. If your child borrows clothes from school, please return the clothes washed and dried. If you have any socks that your child no longer needs, we would really appreciate any donations for our spare clothes box!

## **Toileting**

If your child please requires support with toileting, please continue to practise this at home and remind them of the importance of thorough hand washing.
