

Nursery Newsletter 11.03.22

Song of the week

This week we have been singing 'Seasons song' and learning all about the four seasons and the changes that occur during this time.

Can you sing the Seasons song at home?

Our Week

We have had a fantastic week in Nursery. We have been learning about the different seasons of Spring, Summer, Autumn and Winter and discussing the changes that happen in our environment during this time. We created some beautiful tree art work and went on a Spring Walk in the Nature Garden.

Can you talk to your family about different seasons of the year?

Maths

In maths this week we have been singing some different counting songs, making them interactive. We

especially enjoyed pretending to be little people in a flying saucer.

Can you make up your own counting game at home?

Sound of the Week

Our Sound of the Week next week will be 'e'.

Please continue to sing the Jolly Phonics songs at home for these sounds. These can be found on youtube.com

Can you bring in an object from home for our Sound Table that begins with 'e'?

Please remember not to bring in anything precious as it may get lost / broken!

Label belongings

Please can you label or write names in all your child's belongings that they may bring into school including their water bottle.

Many thanks,

The Nursery Team

Ladybird - Emma Rose, Janette Gayle and Usha Goomany

Butterfly - Anastasia Owusu, Gina Collingridge

Jaci Doherty working throughout both classrooms

Things to remember...

Celebration Day

Don't forget **Thursday 17th March** is our Celebration Day in Early Years. This term the focus will be Maths. You are welcome to join us from 9.15-10.15am where we will be showing you how we teach maths. This is a chance for you to get some ideas to further support your child at home and see how it can be done in a fun and playful way.

Wellies and coats

While the weather is often wet and cold, please provide your children with a named, thick, winter coat and suitable footwear. We go to the Nature Garden three times a week and it is important that children are suitably dressed. Children have the opportunity to explore and experiment with water whilst at school. We try our best to keep your child dry by encouraging the use of aprons and rolling up of sleeves but if you know your child particularly enjoys water play, please could you provide them with a waterproof jacket / suit. If you do not have one, we are happy to provide one for you.

Please also encourage your child to practise putting on their wellies and coats independently.

Water Bottles

Please ensure your child has a named water bottle with them each day. This should only contain water, no fruit juices or squash please!

Spare Clothes

Please make sure that your child always has a spare change of clothes at school for toileting accidents and water play. If your child borrows clothes from school, please return the clothes washed and dried. If you have any socks that your child no longer needs, we would really appreciate any donations for our spare clothes box!

Toileting

If your child please requires support with toileting, please continue to practise this at home and remind them of the importance of thorough hand washing.

Forest School

We have had a lovely time at Forest School this week. We looked at the different parts of a daffodil and created some beautiful still life paintings. We were also really excited to see the frogspawn in the pond - we can't wait to see how they grow!
