

"Space" Homework

CLASS 5JB, 5RS and 5LW

DATE SET: 31.3.23

DATE DUE: Wk Beginning 22.5.23

Dear Children and Adults,

Our topic this half term is Space. We will be learning about Earth's place within the Solar System and wider Universe, the history of space travel and what technological advances could mean.

It can be completed by the children on their own or with an adult.

MATHS

Written Maths homework is handed out on Friday to be handed in the following Wednesday for years 3-6.

Remember to revise your weekly number facts to earn your reward based on your rocket card

Don't forget to log onto Timestable Rockstars and Mathletics

SPELLING

Don't forget to learn your spellings each week!

READING

Remember to read each day and get an adult to sign your reading card. Don't forget to use Reading Eggs.

WRITING AND TOPIC

You have a scrap book to use to complete your homework project. Over the next six weeks complete some of these activities or make some up of your own.

COMPLETE AT LEAST ONE OF THE WRITING TASKS

1. Describe the plant and animal life found on an imaginary planet.
2. Write a non-chronological report on the solar system.
3. Write a letter to request a place on the mission to Mars.

NOW CHOOSE SOME OR ALL OF THESE

1. Design your own spaceship
2. Create an alien landscape including the life forms which exist there.
3. Make a space animation.
4. Design a new spacesuit and describe the features.
5. Make a planet-inspired fruit cocktail and take a photo of it

Topic Words

Do you know what these words mean and how to spell them?

Solar System

universe

technology

futuristic

light years

dwarf planet

black hole

celestial

eclipse

gas giant

Challenge

Make your own 3D planet, solar system or a planet hat

Places you could visit

The Science Museum

The Royal Observatory at Greenwich.
