

Summer 1

Dear Parents/Carers,

We have lots of exciting plans for the next half-term and here is an outline of what the children will be learning about in Summer 1.

English

Next half term we will be covering the book 'Flotsam' by David Weisner and 'The Rainbow Fish' by Marcus Pfister. We shall cover a range of writing including diary entries, letters and poetry.

Maths

In Maths, we will recap the four operations- addition, subtraction, multiplication and division. We will be focusing on fractions. Finally, we will learn to tell the time on an analogue clock to the nearest five minutes.

SATs

Maths and reading assessments will take place in the week beginning 15th May. The best way to prepare your child is to prioritise a nutritious breakfast and ensuring they are on time for school. If you have any specific questions, please ask your class teacher.

Topic

Our Geography topic next half term is the Seaside! We will be learning about coastal features and the countries of the UK.

PE

On days that they have P.E. children should wear their P.E. kit to school. In addition to our P.E. slots, we also have two hours a week in the Nature Garden (Monday and Friday) so please ensure that children are wearing comfortable, weather appropriate clothes each day.

If you have any further questions, please do not hesitate to contact us.

Best wishes,

The Year 2 Team
