Dear children and adults,

We are very excited to commence our brilliant topic 'Incredible India.' This is a geography-based topic where we'll be looking at the human and physical aspects of India. We will look at maps and will be comparing landscapes and climates as well as having a look at (and a taste of!) a different culture.

### MATHS

Maths homework will be uploaded to google classroom week by week. Please complete at home. Mathletics can also be used at home on a laptop/pc and as an app. All children have a password but please ask your class teacher if you don't.

### SPELLINGS

Spellings will be uploaded on Fridays, to be learnt by the following week. A full list of spellings covered in Year 3 will be added to google classroom.
