Reading

In year 5 the children are expected to select their own reading books to take home each week. They will be given time during the week to do this and will need to bring back finished books and sign out a new one. All children need to read both independently and with an adult.

Please ensure that you sign the children's reading record when they have read for at least 30 minutes each day. Children will collect stickers in

school and will then receive certificates for every 50 home reads.

Homework

The children will be given maths and spelling homework weekly – uploaded to google classroom. A half termly topic homework has also been given out, this has a several creative activities that your child can complete at home.

Mathletics, Rock stars and Reading Eggs

Mathletics, Times table RockStars and Reading Eggs are online programs that can be used at home to support the children's learning in school. Each child was given a log-in and password during the last academic year. If they have lost either or need some additional support using each program then please encourage them to inform us in school.
