

Year: 6

Key Facts:

- Europe is the second smallest continent, with 50 countries.
- It is located in the northern hemisphere.
- There are more than 200 languages spoken in Europe.
- Modern-day Greece is a country in the European Union. Its capital city, Athens, is rich in sites of human and historical interest.
- Greece, with its warm climate, varied landscape and location on the Mediterranean Sea, is a popular destination for tourists.
- It has also become a place that people migrate to from countries such as Syria. There are many reasons that can push and pull people away from their homes to live somewhere else.
- The European Union is a group of twenty-seven countries in Europe that co-operate on trade and many other aspects of life.
- The UK left the EU in 2020, after a democratic vote. This is known as Brexit.
