

Conservation and Our Local Area

CLASS 3MK and 3AB

DATE SET
Friday 9th June 2023
DATE DUE
Friday 14th July 2023

Dear Children and adults,

Our topic for this half term is **Conservation and Our Local Area**. This is an exciting new geography topic that allows us to gain a number of new skills, which will build upon those already acquired this year. In particular, map work, research and investigation and fieldwork, when we will research, plan and go out to study our local environment: exploring our community with a conservation focus.

The home activities below can be completed by the children on their own or with an adult.

Written Maths homework is handed out on Thursday or Friday to be handed in the following Monday.
Remember to revise your times tables on **Times Table Rock stars!**

READING

Remember to read each day and get an adult to sign your reading card /book. Don't forget reading eggs.

SPELLING

Don't forget to learn your spellings each week!

WRITING AND TOPIC

You have a scrap book to use to complete your homework project.
Over the next six weeks complete some of these activities or make some up of your own.

COMPLETE AT LEAST ONE OF THE WRITING TASKS

1. Write a **poem** about your community - who do you see? What do you enjoy doing? What makes it great?
2. Write a **fact file** about littering and its impact on the environment.
3. Design and write a **tourist leaflet** all about your local area (Kennington, London) - describing points of interest (museums, galleries, restaurants, etc), including pictures, travel links and tips for visitors.

NOW CHOOSE SOME OR ALL OF THESE

1. Make a piece of art, or a new useful object, using recycled objects - newspapers, plastic bottles, cardboard boxes.
2. Draw a map of your local community, including a key and symbols to represent your home, school, local clubs, etc.
3. Design a poster, encouraging others to look after their community and stop littering.

Don't forget to log into Google Classroom to check out some videos, facts and activities that go with our topic!

Topic Words

Do you know what these words mean and how to spell them?

Map
Key
Local
Compass
Field work
Community
Route
Conservation
Litter

Challenge

How can you help your community? Create posters to encourage others to care for their environment? Begin to recycle at home?
