

Year 4 Food and Agriculture Homework (Spring 1)

CLASSES

4KL, 4FM and 4YH

DATE SET

Friday 16th December

DATE DUE

Friday 3rd February

Dear Children and Adults,

Our topic this half term is Food and Agriculture. We will have a geography focus and will learn about how food impacts the environment by thinking about where food comes from and food in our local area.

MATHS

Written maths homework will continue to be uploaded to Google Classroom by Friday each week. Please try to complete the tasks and see suggested games/websites to support the learning.

Don't forget to log onto Mathletics and Times Tables Rockstars!

READING

Remember to read each day and get your reading diary signed by an adult.

Reading diaries should be in every day.

SPELLINGS

A spelling pattern to practise and a list of key words will be uploaded to Google Classroom on Fridays, to be learnt by the following week.

WRITING AND TOPIC

Over the next few weeks you could complete some of these activities or make some up of your own. You can upload anything you do to Google Classroom and we will share it in class.

1. Write a letter to large supermarket suggesting they use local farmers and produce.
2. Find information about how food miles affect climate change and write bullet points.
3. Have a look in your cupboards at home and map where your food comes from.
4. Design a poster persuading people to buy locally sourced food.
5. Write a recipe for a meal using only ingredients that you already have in your fridge to prevent food waste.

TOPIC WORDS

Do you know what these words mean and how to spell them?

Environment

Climate change

Sustainability

Organic

Ecosystem

Food miles

Fair Trade

Urban

Rural

Places you could visit

- Franklin's Farm Shop
- Jarr Market - Zero Waste shop
- Borough Market
- Loughborough Farm

Challenge -

Can you cook a meal using locally sourced ingredients? Have a look in your local supermarket and see if you buy enough food to make a delicious meal that has only come from England!
