

Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency.
Delivered in partnership with libraries.

Keep your children reading this summer holiday! Your local library is running the Gadgeteers Reading Challenge, where children receive prizes for every book they read. It is all free and there are lots of events linked to science and imagination taking place.

You can register your child for a library card [here](#)

You can find out what events are happening across Southwark [here](#)

Children list their school when they join, so let's try to be the best school and get the most registrations this summer.
